Heartbreak Hotel - By Elvis Presley

G
Well, since my baby left me,
I found a new place to dwell.
G
It's down at the end of lonely street
G
At heartbreak hotel.

C
I've been so lonely baby,
Well, I'm so lonely,
D **G**
I'm so lonely, I could die.

G
And although it's always crowded,
You still can find some room.
G
For broken hearted lovers
G
To cry away their gloom.

C
They've been so lonely baby,
They'll be so lonely,
D **G**
They'll be so lonely they could die.

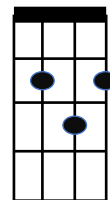

G
Now, the bell hop's tears keep flowin',
And the desk clerk's dressed in black.
G
Well they been so long on lonely street
G
They never ever gonna look back.

C
And they're so lonely baby,
Well they'll be so lonely,
D **G**
Well they're so lonely they could die
